Abstract

In the context of rapid digital transformation taking place globally, culture is both profoundly impacted by digital technology and serves as an important endogenous resource for promoting sustainable national development. change number open go out much muscle festival in tell existence , advertising heart and broadcast Huy the price treatment literature chemistry Vietnam approves the number cultural heritage , development development the product product literature chemistry number and open wide possibility power next nearsighted belong to labour they . However Of course , too much presentation This also put go out much challenge awake like danger muscle tomorrow one copy sharp literature chemistry , the orchid transmission information and the product product literature chemistry lack select filter , violation rights team day intelligence intelligence and about way number in next nearsighted the price treatment literature Chemistry .

Above muscle team direction France research rescue talent the conclude fit with the direction France fertilizer product , sum fit and system system chemistry , lesson write do clear muscle team reason argument , analysis accumulation real state , same time receive area children muscle festival and challenge awake in broadcast Huy price treatment literature chemistry Vietnam below author movement belong to transfer change number . From that , the article write topic export the prize France weight heart like complete u body government book ; push strong number cultural heritage ; development development product product and pandemic service literature chemistry number ; raise High power force number give team sleep do labour author literature chemical ; increase strong teacher education , transmission information and tell guard copy sharp literature chemistry above Are not space network . Connection fruit research rescue contribute part muscle supplement team reason essay and bow grant children main suggestion book aiming lift High effect fruit broadcast Huy price treatment literature chemistry Vietnam in advance presentation transfer change number country family .

Keywords: Price treatment literature Chemistry ; Literature chemistry Vietnam ; transfer change number ; work profession literature Chemistry ; Literature chemistry number .

INTRODUCTION

1. Place problem topic

The Way network labour profession time rank private together with the broadcast development strong strong belong to the labour turmeric number like intelligence intelligence core create (AI), data the big data, electricity maths group Cloud Computing and the Internet of Things IoT devices are create go out children variable

change deep sharp above all territory abyss belong to life living terrible health - commune association . In context scene That's it , transfer change number Satisfied return becoming a trend socks weak and To be movement force mandarin weight train push broadcast development durable strong in many country family .

In Vietnam , transfer change number Okay corpse predetermined To be one in children task service weight heart aiming train push broadcast development land water in stage paragraph new . The job

application use labour turmeric number Are not only create go out children replace change in chest reason home water , development development terrible cell and teacher sex but still open go out muscle festival tell existence , advertising heart and broadcast Huy the price treatment literature chemistry through number cultural heritage , development development the product product literature chemistry number and open wide possibility power next nearsighted belong to labour They . Culture To be background block pure god belong to commune association , just To be item pepper , just To be movement force belong to the broadcast development . Resolution decision Resolution No. 33-NQ/TW affirms predetermined literature chemistry Right Okay put horizontal row with terrible economy , government treatment and commune Association ; Document Grand 13th Congress continues custom press strong Love bridge broadcast Huy price treatment literature chemistry and strength human strength Vietnam like source force internal born mandarin weight belong to broadcast development land water [1]. In the context scene transfer change number , issue Huy price treatment literature chemistry Are not only contribute part hold preserve copy sharp people clan but still lift High strength strong soft and power force edge painting country family .

Beside edge children muscle festival That's it , transfer change number also put go out Are not little challenge food , like danger muscle tomorrow one copy sharp literature chemical , violation rights team day intelligence Tue , Lan transmission false information deviated and about way about power force number between the group commune association . While to do , the research rescue currently owner weak practice central enter number cultural heritage or broadcast development labour profession literature chemistry , not yet next nearsighted one way whole area problem topic broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number .

Export broadcast from real farewell on , article write practice central do clear muscle team reason essay about broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number ; fraction accumulation real state , those muscle festival and challenge awake put out ; copper time topic export the prize France aiming lift High effect fruit tell exist , spread radiate and broadcast Huy the price treatment literature chemistry Vietnam in stage paragraph currently . In order to real presently item pepper that , the article write history use the direction France research rescue owner weak including fertilizer product , sum fit talent materials , system system chemistry , comparison and fertilizer accumulation the literature copy belong to Party , State water about broadcast development literature chemistry and transfer change number .

2. Muscle team reason essay about broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number

Concept recitation literature chemistry and price treatment literature chemistry

Culture To be one criminal kitchen wide , is next nearsighted below much corner degree other each other depending home enter territory abyss research rescue and back scene calendar history . According to UNESCO, literature chemistry To be total body children special display about pure gods , objects quality , intelligence intelligence and have a cold touch create should copy sharp belong to one added copper or one commune association ; culture chemistry Are not includes only turmeric art , literature learn but also includes way life , system price treatment , transmission unity , trust threshold and the rights muscle copy of humans [2]. Way next nearsighted This give see literature chemistry Are not only To be conclude fruit belong to too presentation bright create but still To be background block predetermined direction behavior and the broadcast development belong to commune festival .

In Vietnam , the owner ticket Ho Chi Minh give go out mandarin recitation whole area about literature Chemistry . People give that : *" Because reason born exist also like item destination belong to the live , species People new bright create and broadcast bright go out language language , words writing , philosophy virtue , law law , science , religion education , literature learning , art techniques , those labour old man give born active always day about clothing , food , shelter, and the direction awake history use . Total set children bright create and broadcast bright there that To be literature chemistry ."* [3]. Concept This vomit predetermined literature chemistry To be conclude fruit belong to too presentation tuberculosis movement bright create aiming answer application soft bridge exist in and broadcast development of humankind , copper time reaction candidate termite mandarin system cut close between literature chemistry with terrible economy , government treatment and life living commune festival .

Bell excess private imagine Ho Chi Minh, Party Add product Vietnam always corpse predetermined literature chemistry To be background block pure god belong to commune association , just To be item pepper , just To be movement force belong to the broadcast development durable firm land country . Resolution decision Resolution No. 33-NQ/TW dated June 9, 2014 of the Central Committee Central Government XI key strong task service build erect background literature chemistry Vietnam first advance , bold momentum copy sharp people tribe , direction next broadcast human development whole area and answer application Love bridge broadcast development durable stable . Document Grand 13th Congress of Party next custom vomit predetermined Love bridge open wake up thirsty hope broadcast development land water , development Huy price treatment literature chemistry and strength human strength Vietnam , consider This To be source force internal born mandarin weight in too presentation labour

profession chemical , present grand chemistry and festival import country cell [4].

In research rescue literature chemicals , price treatment literature chemistry Okay understand To be system system the standard ink , belief and children price treatment accumulation pole Okay add copper excess receive , preserve hold and transmission from position system This is going to the next world. system other . The price treatment This predetermined direction receive consciousness , condition adjust behavior , contribution part image wall copy sharp people clan and create should strength strong pure god belong to country family . In Vietnam , the system price treatment literature chemistry Okay rinse Cover up after the calendar history erect water and hold water , pepper chart To be heart Love water , essence god group conclusion , will on one's own strong , transmit system core love , filial piety learn and blame task add copper .

In the context scene whole bridge chemistry and transfer change number , the price treatment literature chemistry Vietnam just stand before much muscle association , just opposite to face with Are not little challenge formula . Work turmeric number create thing lawsuit convenient profit give job number chemistry , protection exist and chopsticks heritage site , open wide possibility power next nearsighted belong to labour they , together time train push broadcast development the product product and branch labour profession literature chemistry above background block number . However naturally , environment school number also do family increase danger muscle orchid transmission false information deviating , continuing receive the product product literature chemistry lack select filter , violation copy rights and tomorrow one one number price treatment transmission system . Side edge that , the broadcast development belong to intelligence intelligence core create and labour turmeric create born put go out Love bridge tell guarantee calculate corpse real belong to information , insurance guard rights team day intelligence intelligence and hold preserve copy sharp literature chemistry people clan .

Like So , the price treatment literature chemistry always Okay plan redundant , supplementary and broadcast development according to each stage paragraph calendar history . In context scene transfer change number , issue Huy price treatment literature chemistry Are not only stop again in the matter tell exist the price treatment transmission system but still claim ask Right end use wall science and labour turmeric to orchid spread , family increase price treatment literature chemical , contribution part train push the broadcast development durable firm belong to land water .

Concept recitation transfer change number

Transfer change Digital transformation is a trend . broadcast development socks weak in back scene The Way network labour profession on time rank thoughts . The research rescue even system best that transfer change number Are not only To be job application use labour turmeric number but To be too presentation change new whole area about private only , model image chest treatment , method awake active movement and way awake create go out price treatment new above background block number . Because So , transfer change

number war comb and Have author movement deep wide arrive all territory abyss belong to life living terrible economy , government treatment , culture chemistry and commune festival .

According to the Team function Fit author and Broadcast development Terrible (OECD) , transfer change number To be too presentation application use and declare waterfall labour turmeric number aiming create go out the replace change house copy in active movement belong to nest function , foundation terrible cell and commune association , through which lift High effect fruit , energy rate and power force edge painting [5]. UNESCO also press strong that transfer change number Are not only attach with change new labour turmeric but also includes change new chest treat , develop development source core force and tell guarantee possibility power next nearsighted jar class the wall fruit number . Article there give see labour turmeric only To be direction convenient , and item pepper bone core belong to transfer change number To be create go out price treatment new and train push broadcast development durable stable .

In Vietnam , transfer change number Okay corpse predetermined To be one in children movement force mandarin weight belong to broadcast development land Water . Decision predetermined Decision No. 749/QD- TTg (2020) sets item pepper broadcast development Main palace number , economy cell number and commune festival number ; Resolution decision No. 57-NQ/TW (2024) continues custom vomit predetermined transfer change number To be movement force mandarin weight to broadcast development fast and durable firm land water [6]. In the context scene to do , the labour turmeric technologies such as AI, Big Data, IoT, Cloud Computing, Blockchain, VR , and AR are application use day the more wide scatter , contribute part change new tissue image chest treat , develop development pandemic service number and lift High effect fruit active movement above much territory area . Opposite with territory abyss literature chemicals , the labour turmeric This create thing lawsuit convenient profit give job number chemistry , protection exist and chopsticks heritage , copper time train push broadcast development tell archives , books institute and the product product literature chemistry number .

Need fertilizer residential transfer change number with number chemistry and computer science Chemistry . Number chemistry To be too presentation transfer change data transfer the number ; computer science chemistry To be job application use labour turmeric information for cabbage advance the rules presentation presently Yes ; still transfer change number To be too presentation change new whole area tissue image active movement , method awake chest treatment and way awake create go out price treatment new above background block number .

In the field abyss literature transformation change number Are not only stop again in the matter number cultural heritage but still direction next build erect system born Thai literature chemistry number , issue development labour profession literature chemistry and open wide possibility power next nearsighted the price treatment literature Copper . time , too presentation This put go out Love bridge complete u body manufacture , upgrade High power

force number and tell guard rights team day intelligence intelligence . Yes . body understand , transfer change number in territory abyss literature chemistry To be too presentation application use copper set labour turmeric number aiming change new active movement chest reason , protection exist , bright create and broadcast Huy the price treatment literature chemistry , answer application Love bridge broadcast development durable firm and festival import country cell .

The relationship between culture and digital transformation

Culture and transfer change number Have termite mandarin system patient evidence , effect back and forth and train push mixed each other . If transfer change number create go out lip school , public old man and direction awake new to tell exist , bright create , spectrum variable and declare waterfall the price treatment literature chemistry then literature chemistry again hold shoulder game predetermined direction too presentation transfer change number according to direction core literature , durability firm and flush fit with copy sharp people tribe [7]. Because So , release development literature chemistry in back scene transfer change number Are not only To be application use labour turmeric enter territory abyss literature chemistry but still To be the conclude fit comedy draw between change new labour turmeric with tell exist and broadcast Huy the price treatment literature chemistry transmission system .

Before That's all , move on. change number create thing lawsuit convenient profit give job tell exist and broadcast Huy the price treatment literature chemistry Vietnam . The labour turmeric number give spell number cultural heritage literature chemistry object body and intangible body , build erect muscle team fierce whether , protect archives , books institute and warehouse save storage number [8]. Thanks that , many private whether , currently object and price treatment literature chemistry Okay save hold long long , open wide possibility power next nearsighted belong to labour they , together time contribute part chopsticks heart image image land water and lift High strength strong soft belong to Vietnam .

Are not only support assistance labour author tell existing , transfer change number still train push change new direction awake bright create and spectrum variable literature chemistry through the product product like tell museum direct line , development exhibition number , book electricity death , movie skill technique number and the background block literature chemistry Number . Person people Are not only To be opposite to statue next receive but still return wall owner body virus family bright create , share and orchid radiate the price treatment literature chemistry above lip school number , thereby contribute part train push broadcast development labour profession literature chemistry and terrible cell bright create .

Although naturally , on the side edge children muscle association , transfer change number also put go out much challenge No. space network do family increase danger muscle orchid transmission false information deviations , the product product literature chemistry Are not flush agreement , violation rights team day

intelligence intelligence and danger muscle wrong deviated the price treatment calendar history , literature chemical due to broadcast development belong to intelligence intelligence core create create birth . Because So , according to pure god Resolution decision Resolution No. 57-NQ/TW of Set Main treatment In 2024, it is needed. next custom complete u muscle craft chest reason , protection guard and broadcast Huy the price treatment literature chemistry flush fit with lip school number .

In the afternoon reverse again , text chemistry To be background block pure god and system price treatment predetermined direction too presentation transfer change number . The matter application using science and labour turmeric need take people do central mind , respect weight the price treatment literature standardization squid religion virtue and profit benefits belong to add same . Opinion belong to Party about build erect background literature chemistry Vietnam first advance , bold momentum copy sharp people clan and broadcast human development whole area To be muscle team mandarin weight to predetermined direction too presentation transfer change number attach with item pepper broadcast development durable stable .

In the context scene festival import country cells , those price treatment transmission system like heart Love water , essence god group conclusion , consciousness add copper , filial piety learn and bright create next custom To be source force internal born mandarin weight help people Vietnam is the main movement next collect wall scientific achievement , technology turmeric , copper time select filter pure flower literature chemistry core type to build erect lip school literature chemistry number healthy strong .

Like So, the text chemistry and transfer change number Have termite mandarin system similar support cut Closed . Transfer change number create movement force change new direction awake tell exist , bright create and orchid radiate the price treatment literature chemistry , in When literature chemistry hold shoulder game predetermined direction , condition adjust to too presentation transfer change number broadcast development durable firm , focus on people. do central heart and contribute part broadcast development land water .

Opinion belong to Party and Home water about broadcast development literature chemistry in time week transfer change number

In progress presentation leader religion way network , Party Add product Vietnam always corpse predetermined literature chemistry To be territory abyss significant war comb opposite to with the broadcast development land water . Before author movement belong to The Way network labour profession time rank private and too presentation transfer change number , four du belong to Party next custom Okay added as follows direction attach tell exist copy sharp people clan with change new bright create and application using science and technology Art . From the literature lawsuit belong to Party and main book belong to Home water , there is body concept shout four mandarin point bone core after This .

Rank first , literature chemistry To be background block pure god belong to commune association , just To be item pepper , just To be movement force belong to the broadcast development .

Resolution decision Resolution No. 33-NQ/TW affirms definition :
" Culture To be background block pure god belong to commune association , is item consume , move force broadcast development durable firm land Water . Culture Right Okay put horizontal row with terrible economy , government government , commune association " [4]. Viewpoint This vomit predetermined literature chemistry fit To be conclude fruit , just To be movement force predetermined direction the broadcast development terrible health - commune festival .

In the context scene transfer change number , work turmeric create go out much direction awake new to bright create , save hold and orchid radiate the price treatment literature chemistry But Are not body replace position shoulder game predetermined direction belong to literature chemistry . Because So , release development literature chemistry need Okay placed in position intelligence central heart belong to too presentation transfer change number aiming tell guarantee broadcast development durable firm and take people do central heart .

Rank two , broadcast Huy strength human strength and system price treatment literature chemistry Vietnam is source force internal born belong to broadcast development land water .

Grand 13th Congress of Party press strong task service *" open " wake up thirsty hope broadcast development land water prosperity honor fortune ; prosperity Huy price treatment literature chemistry , strength human strength Vietnam in the profession build erect and tell guard Nest " National development "* . This is a significant step forward, placing people and cultural values at the center of national development strategy.

In this lawsuit transfer change number , source human power Are not only body currently in power force number but still in the village territory main governance , morality virtue , responsibility task commune festival and awareness hold preserve copy sharp people clan . Those price treatment like heart Love water , essence god group result , person love , filial piety learn and bright create next custom To be background block to next collect wall scientific achievements - technology turmeric and build erect lip school literature chemistry number healthy strong .

Rank three , transfer change number To be movement force new belong to broadcast development country family and need Okay development declare copper set in all territory area , in there Have literature Chemistry .

Party and Home water corpse predetermined transfer change number To be movement force mandarin weight belong to broadcast development land water through the Decision predetermined No. 749/QĐ- TTg (2020) and special residential To be Resolution decision No. 57-NQ/TW (2024). The owner school This press strong Love bridge push strong application use labour turmeric number aiming lift High effect fruit chest treat , develop

development terrible cell number , commune festival number and matter quantity the living .

Opposite to with territory abyss literature transformation change number Are not only To be number chemistry talent original but still direction next change new direction awake chest logic , brightness create , spectrum variable and declare waterfall the price treatment literature chemistry above background block number , contribution part tell preserving heritage , developing development product product literature chemistry and chopsticks heart literature chemistry Vietnam .

Rank investment , development development literature chemistry in time week transfer change number Right attach with tell exist copy sharp people clan , development development labour profession literature chemistry and build erect lip school literature chemistry healthy strong above Are not space network .

Opinion This Okay body presently through throughout in Resolution decision No. 33-NQ/TW, Document Grand 13th Congress , War comb broadcast development literature chemistry arrive 2030 and the owner school about transfer change number country family . Accordingly , transfer change number Right return wall labour old man to tell exist , develop Huy and orchid radiate the price treatment literature chemistry transmission system in thing lawsuit new .

To presently real chemistry mandarin point This is needed . push strong number cultural heritage literature chemistry , development development letters institute number , protect museum number , base team fierce the and the background block bow grant product products , services service literature chemistry direct line ; same time broadcast development labour profession literature chemistry , upgrade High power force number , protect guard rights team day intelligence intelligence and increase strong fight painting with the product product literature chemistry toxic Harmful , false information deviated above Are not space network .

Like So , four mandarin point above To be muscle team reason essay and predetermined direction main treatment mandarin weight give job broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number , dong time To be background block to fertilizer accumulation real condition and topic export the prize France aiming tell exist , spread radiate and broadcast Huy effect fruit the price treatment literature chemistry in stage paragraph Currently .

3. Reality condition broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number

Conclude fruit obtain Okay

According to the newspaper. urine conclude fruit real presently transfer change number Culture and Sports sector exercise and Tourism In 2024 , the company author transfer change number belong to branch Satisfied obtain much conclude fruit accumulation extreme , special residential in build erect muscle

team fierce materials , development development background block number and bow grant pandemic service number clothing service People people , businesses occupation . Job build erect system system fierce the presently great , same set Are not only lift High effect fruit chest reason home water but still create thing lawsuit convenient profit to tell existing , declare waterfall and broadcast Huy the price treatment literature chemical ; copper time support assistance broadcast development body exercise information minh , nâng High matter quantity pandemic tourism and chopsticks heart image image Vietnam on lip school number .

Those conclude fruit float turn Have body concept shout above one number direction area after :

Summer floor fierce the number each step Okay image wall :

Real presently Sea predetermined Decision No. 1909/QĐ- TTg belong to Prime Minister general Main cover , many chapter presentation number chemistry rules tissue big Satisfied Okay development declare . System system fierce the about heritage country family special separate , protect object country family and the type heritage image literature intangible chemicals body such as Ca Tru , Hat Xoan , Don Ca Tai death ... is each step Okay private the chemistry and save storage according to direction copper set , create background block give labour author chest reason , protection exist and declare waterfall long long .

System system tell museums , historical sites each step change new according to direction number Chemistry :

Much point to heritage like Try dollar Hue , Imperial Citadel Thang Long and Tell museum Calendar history National family Satisfied fairy wind application use labour turmeric 3D scanning , real cell virtual (VR/AR) and system system theory bright on one's own (Audio Guide). application use This contribute part lift High spread experiment belong to People virus official , open wide possibility power next adjacent to heritage site , copper time collect suck winter island labour they , especially residential To be position system young .

The product product labour profession literature chemistry number step head broadcast development :

According to plan direction of the Document Grand 13th Congress , concept recitation " **terrible cell number literature chemical** each step Okay presently real chemistry . Many rack profession labour turmeric and single taste bright create content already declare waterfall matter the calendar history , literature chemistry people clan to broadcast development movie active 3D image , game play electricity death pure Vietnamese and the chapter presentation turmeric technique direct line . Those product product This Are not only create price treatment terrible cell but still contribute part orchid radiate price treatment literature chemistry Vietnam and lift High strength strong soft country family .

Muscle festival

Transfer change number open go out children Are not space and direction awake new , contribution part lift High effect fruit tell exist , develop Huy and orchid radiate the price treatment literature chemistry Vietnam . **Sustainable Preservation:** Digital technology helps preserve heritage data long-term through

digitized models, facilitating research, restoration, and preservation in cases where tangible heritage is affected by time, natural disasters, or other objective factors. **Expanded Accessibility:** The digital space helps remove geographical barriers, making it easier for people in Vietnam and international friends to access Vietnamese cultural values through digital platforms, thereby enhancing the effectiveness of promoting the country's image. **Promoting Cultural Industry Development:** Digitized heritage data becomes an important resource for creative industries, facilitating the development of cultural tourism, digital cultural products, and the creative economy in line with Vietnam's cultural industry development orientation.

Challenge awake

Beside edge children conclude fruit obtain Okay , the job broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number still opposite to face with much difficult tower and challenge awake . **The technical infrastructure is not yet synchronized and lacks common standards:** Digitalization activities remain fragmented across localities and units; the ability to connect, share, and utilize data among cultural institutions is limited, affecting the effectiveness of building a national cultural data ecosystem. There is also **a shortage of high-quality human resources.** Cultural workers still have limited digital skills and the ability to apply new technologies such as Big Data, Artificial Intelligence (AI), and 3D scanning and modeling technology. Risks to **cybersecurity and cultural identity protection:** The development of generative AI increases the risk of falsifying historical data, distorting cultural values, and infringing intellectual property rights. This necessitates further improvement of institutions, strengthening state management, and ensuring data security in accordance with Resolution No. 57-NQ/TW dated December 22, 2024, of the Politburo on breakthroughs in the development of science, technology, innovation, and national digital transformation.

4. Solutions for promoting Vietnamese cultural values in the context of digital transformation.

Improving mechanisms and policies

Complete muscle government book To be prize France background block aiming build erect legal corridor reason copper set give job broadcast Huy price treatment literature chemistry Vietnam in back scene transfer change number . The broadcast development fast belong to the labour turmeric number , special residential To be intelligence intelligence core create (AI), data the big data, electricity maths group Cloud Computing and the background block number , currently put go out much Love bridge new opposite to with chest reason talent original literature chemistry number , protect preserving heritage , protecting guard rights team day intelligence wisdom , protection honey fierce the and safe information . Because So , the system system main book need Okay complete u in time time to answer application Love bridge broadcast development in stage paragraph new .

Before That's all , I need next custom body craft chemistry the mandarin point belong to Party about build erect and broadcast

development literature chemistry attach with transfer change number country family . Council decision Resolution No. 33-NQ/TW affirms predetermined literature chemistry To be background block pure god belong to commune association , just To be item pepper , just To be movement force belong to the broadcast development durable solid ; culture chemistry Right Okay put horizontal row with terrible economy , government treatment and commune association . On muscle team That's what's needed . complete u system system France law according to direction copper set between the rules predetermined about literature transformation change number , science and labour art , department day intelligence intelligence and security network ; copper time of issuance the pepper standard , regulation standard about number cultural heritage and build erect muscle team fierce the literature Chemistry .

Beside edge That's what's needed . development declare effect fruit Chapter presentation Transfer change number country family and War comb broadcast development literature chemistry arrive 2030. According to Decision predetermined Decision No. 749/QD- TTg and Sea predetermined Decision No. 1909/QD- TTg , needed advantages fairy head private lower floor number , base team fierce the literature chemistry country increase ; push strong number cultural heritage , development development tell museum number , letter institute number and the background block literature chemistry number . Dong time , recommendation Tuong rack profession and the nest function commune festival virus family head private according to image awake fit author public - private aiming Huy movement source force give transfer change number in territory abyss literature Chemistry .

Together with That's what's needed . complete u muscle craft tell guard rights team day intelligence intelligence above lip school number through the addition of rules predetermined about copy rights number , increase strong application use labour turmeric in chest reason rights author fake and handle reason serious the infringing behavior offender . Before the broadcast development belong to intelligence intelligence core create create birth , need issue soon the rules predetermined direction guide application using AI direction bright white , white weight copy rights and tell guarantee calculate corpse real belong to fierce the literature chemical , suitable fit with predetermined direction belong to Resolution decision Resolution No. 57-NQ/TW of Set Main treatment 2024 .

Copper time , need lift High effect fruit nest function real presently through increase strong combination fit between Ministry of Culture , Sports exercise and Tourism with the ministries , departments , localities direction ; push strong conclude Connect , share fierce the between the tell archives , books institute and muscle mandarin chest physics ; construction erect muscle craft supervisor kill , beat price predetermined week job development declare the chapter presentation transfer change number to in time time thing adjust main book flush fit with Love bridge real Farewell .

Summary again , complete u muscle government book To be thing lawsuit fairy decision to broadcast Huy effect fruit the price treatment literature chemistry Vietnam in back scene transfer change number . One system system main book copper department , system best and prefer application with the broadcast development belong to labour turmeric will create background block firm sure give labour author tell exist and broadcast Huy copy sharp literature chemistry people clan , uncle push broadcast development labour profession literature chemistry , upgrade High strength strong soft country family and contribute part presently real chemistry item pepper broadcast development Fast , durable firm according to pure god Grand 13th Congress of The Party .

Push strong number cultural heritage literature chemistry

In the context scene transfer change number , number cultural heritage literature chemistry To be prize France mandarin weight aiming tell exist , spread radiate and broadcast Huy the price treatment literature chemistry Vietnam . The application use labour turmeric number Are not only help save hold long long the price heritage but still open wide possibility power next nearsighted belong to labour they contributed part chopsticks heart image image land water and train push broadcast development labour profession literature Chemistry .

Rank first , push strong number chemistry and build erect muscle team fierce the literature Chemistry .

Need standard chemistry rules presentation number chemistry opposite to with entire heritage literature chemistry object body and intangible body ; same time build erect muscle team fierce the country family about heritage literature chemistry according to direction copper set , protection guarantee possibility power conclude connect and share between central nursery with land method . According to Decision predetermined No. 1909/QD- TTg (2021), system system fierce the need tell guarantee calculate full sufficient , correct corpse and Okay update Japan often through aiming clothing service effect fruit labour author chest reason , protection exist and declare waterfall price Preserving heritage .

Rank two , increase strong application use labour turmeric number in tell exist and broadcast heritage .

Need push strong application use the labour turmeric like 3D scanning , real cell virtual (VR), real cell increase AR strength , intelligence intelligence core create (AI) and QR code number chemistry , restoration build , introduction Introducing the heritage and chest reason fierce whether . The matter application use the labour turmeric This Are not only lift High spread experiment belong to labour they but still open wide possibility power next near heritage cross the boundary limit about Are not space and time cunning , suitable fit with the promotion resolution by UNESCO (2021, 2022).

Rank three , broadcast development tell museum number , letter institute number and the background block literature chemistry number .

Need build erect and complete u the background block literature chemistry number aiming open wide possibility power next heritage site , restoration service active movement teacher education , research rescue and chopsticks heart

image photo , copy sharp literature chemistry Vietnam arrives add copper in water and country cell . This also To be prize France mandarin weight contribute part lift High strength strong soft country family according to predetermined direction belong to Sea predetermined Decision No. 1909/QD- TTg .

Rank think , attach number cultural heritage with broadcast development labour profession literature Chemistry . Death heritage after When Okay number chemistry need Okay declare waterfall effect fruit to broadcast tourism development literature chemistry number , electricity photos , games play electricity death , death copy number and the product product bright create Other . Solution France This Are not only contribute part tell exist and broadcast Huy price heritage but still create go out price treatment terrible cell , swelling fit with War comb broadcast development the branch labour profession literature chemistry Vietnam (Decision) predetermined Decision No. 1755/QD- TTg) and predetermined direction of the Document Grand 13th Congress .

Rank year , raise High power force number give team sleep do labour author literature Chemistry . Need increase strong dig create skill power number give team sleep cadre set in the tell archives , books institute , center heart save storage and muscle mandarin chest reason ; copper time push strong fit author with the rack profession labour turmeric aiming transfer deliver skill technique , upgrade High power force chest treatment and declare waterfall fierce the according to pure god Sea predetermined Decision No. 749/QD- TTg and Sea predetermined Decision No. 1909/QD- TTg .

Rank six , protect guarantee calculate corpse real and safe fierce the literature Chemistry . Need complete u copper set the prize France skill technique and France reason to tell guard copy rights number , check proof fierce the and compartment block false information off , most To be in back scene intelligence intelligence core create create born broadcast development strong . Copper time , increase strong tell guard fierce heritage and fight painting with the transmissive behavior sculpt calendar history , literature chemistry according to predetermined direction belong to Resolution decision No. 57-NQ/TW (2024) and Promotion resolution of UNESCO on Dao virtue in intelligence intelligence core created (2021).

Summary again , number cultural heritage literature chemistry To be prize law war comb aiming lift High effect fruit tell exist , teach education , research rescue , advertising heart and broadcast Huy the price treatment literature chemistry Vietnam . To broadcast Huy effect fruit long long , need development declare copper set the prize France about body reduce , lower floor number , base team fierce materials , sources core force and chest treatment labour art , through which contribute part real presently the item pepper broadcast development literature chemistry in century original number .

5. Broadcast development the product product and pandemic service literature chemistry number

Broadcast development the product product and pandemic service literature chemistry number To be one in children prize France mandarin weight aiming broadcast Huy effect fruit the price treatment literature chemistry Vietnam in back scene transfer change number . If number chemistry create establish source fierce the literature chemistry then job broadcast development the product product and pandemic service number will transfer chemistry source fierce the there wall price treatment terrible cell and commune council time change new direction awake next nearsighted literature chemistry according to direction similar work , experience solutions . Through that , the price treatment literature chemistry transmission system Okay orchid radiate deep wide than and arrive near the than with labour they , especially residential To be position system young .

Before That's all , I need push strong broadcast development the product product literature chemistry number above muscle team application use children labour turmeric presently grand like real cell virtual (VR), real cell increase strength (AR), tissue 3D image , game play electricity death , movie photos , animation image and the digital content sharp Vietnam . The declare waterfall matter the from calendar history , heritage and turmeric technique transmission system Are not only contribute part tell exist and chopsticks heart literature chemistry people clan but still create movement force train push the broadcast development belong to the branch labour profession literature chemistry in time grand number .

Beside edge That's what's needed . open wide the pandemic service literature chemistry number like tourism literature chemistry information Minh , Bao museum number , letter institute number , system system theory bright on one's own move , place ticket direct line and the background block teacher sex - release Education . The job . application use fierce the big data, intelligence intelligence core create (AI) and the background block number will contribute part lift High spread experiment belong to People use , open wide possibility power next nearsighted the price treatment literature chemistry , copper time answer application Good than soft bridge learn practice , research rescue and prize intelligence belong to add copper .

To train push too presentation This is needed . next custom complete u muscle government book according to War comb broadcast development the branch labour profession literature chemistry Vietnam ; advantages fairy support assistance the rack profession bright create in territory abyss labour art - literature chemistry , copper time increase strong border conclude between the home research save , art core and rack profession labour turmeric aiming create go out children product product fit presently large , medium tell guarantee calculate main corpse and copy sharp literature Chemistry . 6. Enhancing digital capabilities for cultural workers.

People are the decisive factor in the success of digital transformation. Therefore, enhancing the digital capabilities of officials, civil servants, and employees in the cultural sector is a crucial solution for effectively operating the digital cultural ecosystem. To achieve this goal, focus should be placed on the following key tasks.

Firstly , it is necessary to innovate training programs and methods. Training programs should be developed to suit different target groups such as management staff, museum and library staff, archives staff, and artisans. Training content should focus on equipping participants with in-depth skills in heritage digitization, 3D scanning technology operation, database management, information security, and the application of artificial intelligence (AI) in the management, preservation, and promotion of heritage values.
